GIVING KIDS A “WOW” WITH THE “HOW”!

The pandemic was hard on Steve, resulting in his losing his job as a teacher. So he decided to give his lesson plans to the community. Cold calling on libraries and farmers' markets, his first event was at Homer's Phillips Free Library, showing 12 kids how to build bridges.

EDUCATION IS YOUR PASSPORT

Steve was inspired by his 8th grade history teacher, Mr. Grant. Mr. Grant lived in his neighborhood in the Bronx, and was accessible. He has learned to dream and dream big. As a kid he wanted to be a scientist; he tells his students that he knows nothing, but they can find anything together.

AS A COMMUNITY ACTIVIST AND BUSINESS OWNER

Steve encourages people of color and for women to be smart. People of color need to be invested in the area and stay here. His goal is to bring a space to Homer where kids can get their hands dirty and they can learn. As a dad of four kids, Steve feels that everything starts at home. Thank you for your inspiring talk!

KUDOS TO DON RICHARDS AND LUANN HOPKINS

Cortland Breakfast Rotary
29 Hickory Park Road
Cortland, New York 13045

Dear Breakfast Rotary Members,

I want to take a brief moment of your time to thank you for the invitation to speak at your meeting on April 27, 2022 pertaining our endeavors to obtain a new K9 for the agency. I also wish to thank you for the donation of \$4,000.00 towards this endeavor and I assure you it will be utilized wisely towards our endeavor.

There is a long and trusted relationship between the Cortland City Police Department and the Cortland Breakfast Rotary stemming back to the 1990's, if not farther. Your organization has always been a loyal supporter of this agency's programs, particularly the McGruff program. I believe it would be easy to estimate your organization has donated in excess of \$100,000.00 to this agency over the years, which not only benefited this agency, but the Cortland County Community. I note Cortland County residents, as the impact of this agency reaches beyond our geographic borders, as many of our programs and activities involve school aged children from across the county. In addition, county residents attend the events we participate with and benefit from the resources your generosity has allowed us to have.

As I stated earlier, this has been a long and trusted relationship, which I value deeply and hope to continue for many years to come. If there is ever a time you believe you would benefit from our participation, please do not hesitate in reaching out.

Respectfully,

Paul A. Sandy
Chief of Police

THE FUTURE OF ROTARY IN OUR REGION

As many members are now aware, in July of 2024 the Syracuse, Binghamton and Albany Rotary Districts will be coming together. It was announced this past spring, the district has held a couple of town halls to field questions and our District Governor Jerry recently spoke about it at his official visit to our club in July. The process of bringing together these three districts and all their committees is no easy task. Work has already begun so that we are going into 2024 with plans in place. In fact, you will already start to see some coordination between our groups well before we officially become one. The first step in this process was a weekend-long retreat for planning the basic structure and timeline for coordination. The steering committee is made up of leadership from across the three districts, past, current and future, with many passionate and knowledgeable Rotarians guiding us. Moving forward our region will be called CNY Rotary and this is our vision statement: CNY Rotary unites, educates, and inspires people in our communities to take action and create lasting change. You can learn more about the committee's work at www.cnyrotary.org and you can follow [CNY Rotary on Facebook](#). Be sure to read your district newsletter each month for their latest update as well. If you have additional questions, you can also always speak to Lizzy directly.

Thanks to the Baldwinsville Rotary
Newsletter, August 2022.
