## JOE CARDARELLI

### Cortland State Mens Hockey Coach

**Joe was hired to win hockey games, but his goal is to build the best in young men.**

Joe is proud to be the Head Coach for the Hockey Team for eight years, and to be the second leading coach in all-time wins. He is just as proud in helping to develop these players into men. He does this with not just reviewing and instructing them in hockey,

but also in making his players take personal responsibility in themselves and the team. He also realizes the vulnerability of 21-25 year old men, and supports the work of the American Society for Suicide Prevention.

For his efforts, Joe was named a finalist for the 2022 Edward Jeremiah NCAA Division III Men's Hockey Coach of the Year Award; along with his Assistant Coaches earned the State University of New York Athletic Conference Coaching Staff of the Year Award.

Did you read the May 2022 edition of **Rotary Magazine**? Page 36 talks about The Human Library, where the books are human beings! Borrow somebody and ask them anything you want! Page 56 details Rotarians in Ukraine; of the 62 pre-war Clubs, 61 are still meeting. Page 12 tells how language spreads peace through understanding with Caroline Gear, who grew up in Greene, NY!

**Don Richards:** the 20th **Ride for Rotary** is Saturday, June 4, at The Living History Center. Don has secured 42 sponsors—the most ever! Dianne Higgins volunteered to head up the sign in table.

The **McGruff Golf Tournament** will be at Elm Tree Golf Course on June 16, \$280 per foursome; we will be having a gathering afterwards.

**Kathie O'Mara:** is sending around a sign up sheet for Club Invocations; sign up or be assigned!

**Matt Banazek:** second notice for membership for **Mark Hahn**, sponsored by Steve Cinquanti. There were no veto votes for Mark, so Matt will proceed with orientation.

The **Joint Rotary** meeting with the **Noon Club** will be next Wednesday, May 18, at the Cortland Elks, 5pm cocktails, 6pm dinner. \$25 each for Rotarians and \$25 for their spouse, no charge for guests.

**Andy Polley**—nice to be here in person; his daughter is getting married next week; has the 2007 Paul Harris Award winner program with **Matt Banazek**;
