THE FOUR-WAY TEST

first...

Cortland Chief of Police
Paul Sandy

The Friendliest Club in the District, today, May 24, 2023.

One of our Club's most sought after Speakers, Chief Paul Sandy stated that he is grateful for the work our Club performs. The McGruff canine program, which we help to finance, is very solvent. The dog he introduced us to last year, Kurt, is doing amazing work. The Department is training another canine, Max, which will bring the total of canines in the City Police and Sheriff Departments to four, meaning that there will always be a canine on duty.

Chief Sandy also related that the Department has started a drone program: one for outdoors and one for inside buildings.

We'd like to thank Chief Sandy for keeping us up to date on the Department, And we look forward to meeting Max.
