Piirin ystävällisin klubi!

Ramona Petrella Cummings

Hi Friends! Not only do I have the privilege of being the Founder and Director of Project Hope for the Children, but I am happily married to my wonderful husband, Jack for over 13 years. Together, we parent our two children, foster parent for our local county, and hobby travel. I love what I do and I'm so grateful that I can work at being the hands and feet of Jesus serving the underprivileged children of the world.

Hope for the Children, Inc.

★ **The world has a lot of problems,**

Ramona is trying to help to solve part of them, for those who are the youngest and most vulnerable.

★ **Besides Romania, she has expanded her work to Puerto Rico.**

Her stories are interesting and show the triumph of her will! She has helped a deaf child caught in the system in Puerto Rico, and has made an impact on his life. She has provided the supplies for an agricultural club on the west side of the island.

Her March Madness Fundraiser sent \$5000 to Romania for medical supplies and to help with Ukrainian refugees. She went to Romania in May, and explained the importance of sensory toys for small children, and told of us helping families.

✿ **Ramona may be the most often Speaker at our Club! We wish her the best, and hope to see her soon!**
