OFFICER MATT MANIACI AND SERGEANT RYAN RILEY: CORTLAND POLICE DEPARTMENT DRONE PROGRAM

Officer Maniaci and Detective Riley not only explained the training that goes into operating a drone, but gave us a demonstration of the indoor drone. The drones are used for many purposes, most importantly in situations when it is better to not send in an officer.

We'd like to thank the Chief and Officers for their presentation today, and we are glad to be able to help them in a small way.

WITHOUT OUR
HELP, THE
DRONE
PROGRAM
WOULD NOT
HAVE LIFTED
OFF OF THE
GROUND!

CHIEF SANDY HAS BEEN
LOOKING TO USE A DRONE
SINCE 2013.

THE DEPARTMENT HAS
TWO, AN OUTDOOR AND AN
INDOOR DRONE.

THE DRONES ARE USED AS
FIRST RESPONDERS,
AND IS USED WITH OTHER
LAW ENFORCEMENT AND
FIRE DEPARTMENTS.

Jeremy Boylan shared that we have Speakers booked through the end of February, and encouraged Club members to suggest programs that they are interested in.

President Don Richards said that we will be looking for Sponsors for the **Ride for Rotary** and the **McGruff Golf Tournament**, both in May. **Ariel Corl** and **Tyler Krowiak** have both volunteered to help Don.

President Don also shared that **Mark Roberts** will serve on the **Board of Directors** for two years starting on July 1, 2024. Thanks Mark!

In addition, **Steve Cinquanti** will be installing a list of our committees on the website. Please write your name on any of the committees you'd like to join.

* Thought of the Day

Bob Martin joined us on the two previous meetings by Zoom because of illness, is back today, and missed four deer on Sweeney Rd. ;

Ed Finkbeiner welcomed **Mark Roberts** to the Board;

Joanne Sautter was happy that her power was out for only two hours;

Mike Shafer's daughter visited him for the holidays and is back in New York City;

Terry Cahill feels fortunate that no trees hit his house from last night's storm;

Don Richards contributed for our guests, for the McGruff Tournament, and for the 2024 Corvette that he purchased;

Conrad Janke appreciates our Guest Speakers, and his golf game in North Carolina is at mid-season form (that bad);

Steve Cinquanti acknowledged **Dave Perkins** from **Tully Rotary** Zooming in.

CBRC members Steve Cinquanti and Conrad Janke exchange Club banners with Tully Rotary Co-Presidents Bob Cooper and Bob Burns.

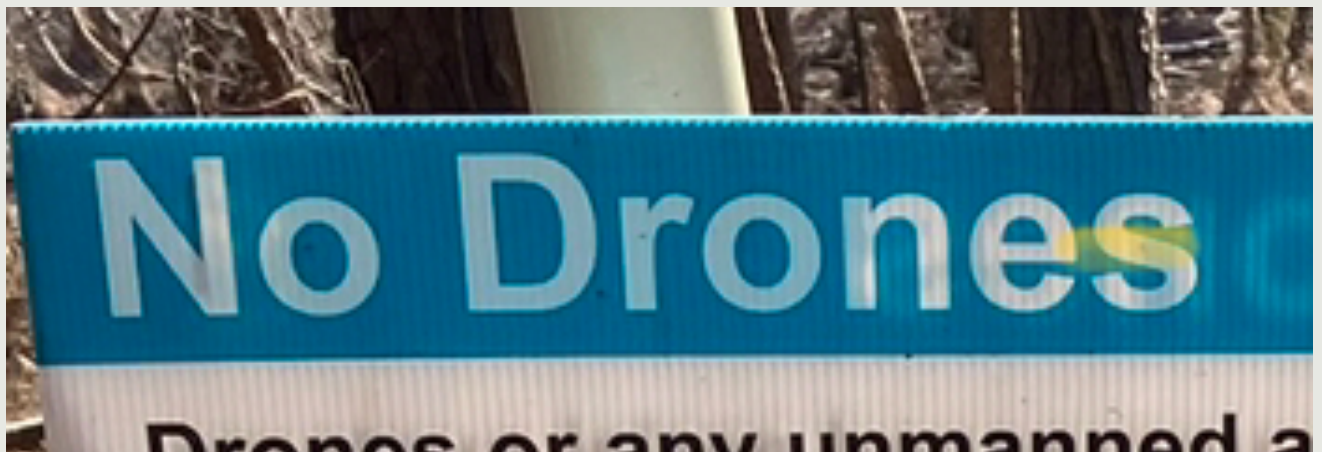

Until July of 2024, Tully Rotary and CBRC have been in different Rotary Districts. We discussed different ways our Clubs can work closer together. One is their TREES program, and another is their golf tournament in June.

Congratulations on your engagement!

Ariel Cori and Juannma Herrera!

President Don Richards informed the Cortland Police Department: If by chance this 2024 Chevrolet Camaro is a mile or two above the posted speed limit:
