The Friendliest Rotary Club—and finest Interact Club—in the District!

Tammy Zimmerman, a former Homer High School teacher who started with Seven Valleys School this year, stepped back and allowed Maddie Dermott and Alexis Jackson to explain the workings of the Interact Club. Interact is a service club, allied with Rotary, for students aged 12 through 18. Worldwide there are almost 15,000 Interact Clubs and over 340,000 Interactors. Interact is self-supporting and self-governing, and sponsors two community service projects a year; both Maddie and Alexis agreed that it has impacted their lives, helping them to experience a lot of the world at a young age.

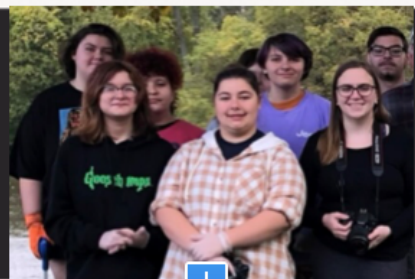

Some of the benefits of Interact are networking, leadership skills, and international relations. The activities of the Interact Club, some with and some without Rotary, are: river clean-up, chicken Barbeque, Loaves and Fishes, Salvation Army Dollar Drop, food drive, bilingual children's books, and Pumpkinfest. Seven Valley Schools requires its students to volunteer a certain amount of hours, and being in Interact helps each student to accomplish this.

Our Rotary Club can help Interact by allowing their students to shadow our members as they work, by working one on one with our Rotary members, and to increase communication with our Club.

As a Rotary Club, we are fortunate to have such a thriving and active Interact Club. Thank you Tammy, Maddie, and Alexis for joining us today!
