

**CORTLAND
BREAKFAST ROTARY
SEPTEMBER 22, 2021**

Scott Steve is a business consultant and project manager, father of five, a County Legislator who came to Cortland four decades ago to help raise his brother.

Scott is running for Mayor of Cortland, and knows the challenges ahead of him if he is elected. He has worked to bring financial accountability to the County Legislator, and realizes that the City has financial issues that need to be addressed.

He likes the good quality of life in Central New York, and feels it is a great place to raise a family. The City is receiving Covid money, and feels that it should be used for infrastructure—boilers, LED lights, pipe leaks, sewer drains. He wants to keep young people in the community, do things that won't drive businesses away, keep taxes low, and develop a strategic plan for all County departments.
