**JEAN AND TOM QUINN**

Arnold's Florist

Rotary International is proud to have been founded in 1905—

By then, Arnold's Florist was a teenager!

Tom Quinn explained to us that Arnold's Florist was actually founded in 1892. He praised our Club, saying it was a pleasure to be among people who strive to serve others.

Jean Quinn explained how she met Tom seven years ago when she had a business in Johnstown, PA. After she and Tom married they looked for a business opportunity together. Tom remarked on Jean's love of flowers, and figured it would be cheaper to own a flower shop than to buy the flowers that Jean liked in the house!

## JEAN AND TOM LIKE BEING IN HOMER, AND APPRECIATE THE LEGACY OF ARNOLDS FLORIST.

They aren't trying to change things, just tweak them a bit.

They bought Arnolds Florist in September of 2019, months before Covid hit. They closed for two weeks, and started getting phone calls. People started calling for funerals, babies, contact lists—flowers help to bring joy and relief to people.

Jean and Tom have received two grants; they have a new sign, a facade in the front, and will have lighting outdoors. They also are contemplating community gardening in April in their greenhouse. Thank you, Jean and Tom, for a wonderful presentation, and being a part of our community!
