CORTLAND BREAKFAST ROTARY

The “Friendliest Club” in Districts 7170 and 7150. What the heck—throw 7120 in there too!

LIME. HOLLOW IS 30 YEARS OLD!

It has grown tremendously in the last 30 years and now encompasses almost 600 acres with 13+ miles of trails. The trails are free and open to the public year-round and the center provides community services such as childcare through its Forest Preschool and camp programs. It is also used regularly by local universities and schools for research purposes.

TRAILS FOR ALL AND NATURE ACCESS

Lime Hollow is the only nature center in our area to offer the Action TrackChair, a battery powered, all terrain “wheelchair” which allows people to access nature regardless of mobility challenges. Lime Hollow is also working on resurfacing certain trails, providing better signage, and rebuilding bridges and observation deck through its Trails for All campaign.

THIS, OF COURSE, COSTS MONEY.

Lime Hollow is looking to bolster community donations to help continue its mission. It is looking to add 100 new “Sustaining Donors” before the end of 2023 who commit to donating \$30 (or more!)/month. Donations can be made online at www.limehollow.org or by mailing a check to 338 McLean Rd Cortland NY 13045.
